Pre-departure Checks Completed: YES Time of Departure: 10:30AM Time of Arrival: 12 PM

Weather, Wind, and Sea Conditions: sunny, 15 kts, gusty, 2ft seas

Events and Highlights of the Day The day began with Kristen, the mate of the day, playing everyone's favorite Irish jig. We all got up pretty quickly this morning because we were excited to practice our jibes on the way to Little Harbor. Plus, we had heard that the beach on Sandy Cay was beautiful! Jen and Heather made an awesome egg and cheese casserole for breakfast. After that we got underway and Will and Eric taught a hilarious lesson on Bernoulli's Principle. We thought the exciting part of our sail was over, but a pod of dolphins came up at the end and escorted us into the harbor! And as for the beach, it was even more BEAUTIFUL than everyone had said.

Events and Highlights of the Day First ships log and the best one yet. Today we sailed from Hodges to Cooper Island as a crew which was our first sail together and was pretty successful in my opinion. Aside from the minor setbacks we encountered such as struggling to get the main sail up and attempting to raise it whilst still being in the sail bag, everything went quite well.
