Events and Highlights of the Day The day began with Kristen, the mate of
the day, playing everyone's favorite Irish jig. We all got up
pretty quickly this morning because we were excited to practice
our jibes on the way to Little Harbor. Plus, we had heard that
the beach on Sandy Cay was beautiful! Jen and Heather made an
awesome egg and cheese casserole for breakfast. After that we
got underway and Will and Eric taught a hilarious lesson on
Bernoulli's Principle. We thought the exciting part of our sail was
over, but a pod of dolphins came up at the end and escorted us
into the harbor! And as for the beach, it was even
more BEAUTIFUL than everyone had said.
